Testimonies

Brother Samuel

Praise God! My name is Samuel Masih, and I am from Faisalabad. Last year, I was struggling to find a job. I applied to many places, but nothing worked out. Because of this, I became worried and discouraged. During that time, I started watching JCTV regularly. The messages about trusting God encouraged me to keep praying and believing. One day, after listening to a sermon on faith and God's provision, I prayed sincerely and asked God to guide my future. A few weeks later, I received a job opportunity that was better than I had expected. Today, I am working and supporting my family. I thank God for His faithfulness and JCTV for strengthening my faith during a difficult season.

Sister Ruth

Praise God! My name is Ruth Emmanuel. I was going through a period of sadness and loneliness. I often felt overwhelmed and did not know where to find comfort. One evening, I came across a worship program on JCTV. The songs and prayers touched my heart deeply.

I continued watching the channel every day and began spending more time in prayer and reading the Bible. Gradually, I experienced God's peace in my life. My relationship with God became stronger, and I found new joy and hope. Today, I am thankful to God for bringing peace into my heart and to JCTV for being a blessing in my spiritual journey.

Brother Joseph

My name is Joseph David, and I thank God for what He has done in my life. For a long time, there was tension and misunderstanding in my family. We argued frequently, and there was very little peace in our home. During this difficult period, I started watching family and teaching programs on JCTV.

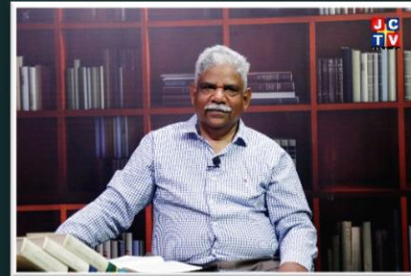

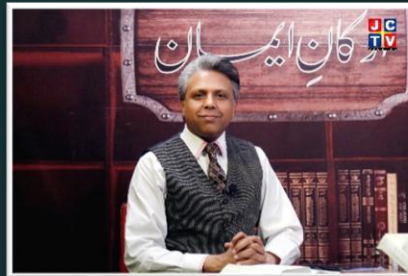

The biblical messages encouraged me to forgive others and seek God's wisdom. My family and I began praying together regularly. Slowly, our relationships improved, and the atmosphere in our home changed completely. Today, there is peace, love, and understanding in our family. I give all glory to God and thank JCTV for sharing messages that bring hope and restoration.
